So after my first year of showing the family who owned the animals asked if I would like to continue showing as I had done better than they had expected for my first year. I purchased my first animal at the

state sale from the Rocking W's herd. I have since increased the size of my herd through buying animals through the state sale and through my own breeding. I currently own 14 milking shorthorns that I take to several shows throughout the summer and fall, including the Wisconsin State Fair jr show, the Northern Wisconsin State Fair, the Central Wisconsin State Fair and World Dairy Expo. I focus on type and production in my breeding program and am working hard to build up the foundation animals that I have purchased over the past couple year and am planning on
