2018 Online National Sale Guidelines: March 7-10, 2018

1. Consignment may be made by anyone owning registered Milking Shorthorns. If the consignor is not a member of the American Milking Shorthorn Society (AMSS), their membership will be paid for the current year with sale proceeds.
2. All animals must be registered in the AMSS Herdbook at any Herdbook level (Full, EXP, GE, GI, etc.).
3. Sale is open to Male and Female consignments, Embryo and Semen Lots.
4. Partners or syndicate members have the right to bid and purchase such animals as long as this is noted on the sale entry.
5. For animals sold by partnerships or syndicates, there must be a written agreement from each member of the syndicate or partnership for usage of any sale income to purchase another animal at the sale.
6. If the consignor owes any money to AMSS, the sale proceeds will be used to cover that debt. Any money after the debt is paid minus sale commission and any other monies owed to AMSS will be paid to the consignor per normal policy.
7. AMSS is not and will not be responsible for collecting debt or money owed for or to third parties.
8. Net proceeds from animals sold in this sale can be utilized toward the purchase of other animals in this sale as long as no other part of these terms apply or are applied.
9. All health testing is the responsibility of the seller and will be performed immediately after the sale per the requirements of the buyer's state.
10. Any animal sold or exhibited as registered by AMSS can be DNA-typed and breed ID with genomics at the discretion of the Executive Secretary, all expenses to be paid by AMSS.
11. The sale commission will be 7.5% of the selling price for all consignments. This does not include the cataloging fee. However, consignors who donate all proceeds to the AMSS will not be subject to any expense including the cataloging fee.
12. Embryos consigned must have been collected and frozen by an American Embryo Transfer Association certified practitioner. A copy of the recovery sheet must accompany embryo consignments. Shipping of embryos will be at the expense of the buyer.
13. All consignments must be in the office no later than February 1, 2018 with a cataloging fee of \$25 per consignment (live lots & Embryo lots) \$10 per Semen Lot. Consignments that are for any reason turned down by the sale committee before the catalog is started will have their \$25/\$10 fee promptly returned. Once the catalog is started, and the lot is accepted, the \$25/\$10 catalog fee is retained by AMSS.
14. All entries MUST be submitted with pictures and/or videos of their consignment which will be posted online.
15. Sellers may put a reserve bid on their consignments.
16. Trucking will be the responsibility of the buyer or may be negotiated between buyer and seller. AMSS will not be responsible for arranging trucking.
17. Catalog will only be available online. Catalog will be online at least one-week prior to start of sale.
