REGULATIONS READ CAREFULLY

1. All animals or embryos sold, in order that their progeny or resulting ET animals may be registered, must have their successive transfers duly recorded in the Society office and on the Certificate of Registry or Embryo Identification and signed by the Secretary of the American Milking Shorthorn Society.
2. This application for Transfer must be accompanied by the Certificate of Registry or Embryo Identification in order that the transfer may be properly recorded. The seller shall furnish the purchaser with the Certificate of Registry or Embryo Identification on which the transfer has been recorded.
3. All animals or embryos sold for export to foreign countries must be transferred on the Society records before the animals or embryos leave the country.
4. The transfer fee shall be paid by the seller and must accompany the Application for Certificate of Transfer.
5. Current fees are available from the National Office.
