To Whom It May Concern:

Please be aware after further DNA testing and evaluation, the pedigree and parentage of the bull KUNDES GOLDEN BADG FANTASY EXP Registration # 68314754 is correct as submitted by the breeder. Due to a lack of DNA profiles within the breed, the initial testing indicated his dam ROCKING WS KOURTS FANTASIA ET Registration # 68303079 did not match her submitted parentage. Further genomic testing was completed that proves FANTASIA and ROCKING WS KOURTS FREDRICK ET Registration #68302824 are full siblings. Genomic profiles for FREDRICK show his maternal grand sire as MERICREST OUTLAW Registration # 437226. While other suggestions are presented, OUTLAW is listed and does qualify as the maternal grand sire of FANTASIA. Given that FANTASIA and FREDRICK are proven full siblings, Dr. George Wiggins with CDCB is comfortable stating OUTLAW is FANTASIA's maternal grand sire.

Additional question or concerns may be directed to the American Milking Shorthorn Society office. Thank you for your patience during this inquiry.
